COLONIAL COUNTRY CLUB FORT MYERS

At this Fort Myers golf community, every home purchase includes a complimentary social membership. Some homes also include membership to our 18-hole championship golf course. The clubhouse-with more than 18,000 square feet-will be the center of activities for the community, with plenty of opportunities for recreation and relaxation. The dining room will overlook the sparkling water of the aqua range and the expansive greens and fairways of the first and eighteenth holes of the championship golf course. The Colonial Country Club fitness center has the latest in exercise equipment. Take to the courts for a rousing game of tennis. The community will offer 10 lighted courts for your enjoyment, including eight with a Har-Tru surface.
